

| PRODUCT CODE | CODE | KG | PRODUCT FAMILY |
|--------------|------|----|----------------|
| 4310192      |      |    |                |

#### Mounting

#### Structure

#### Dimming and control

#### Photometric data

|                              |      |
|------------------------------|------|
| Effective luminous flux (lm) | 3960 |
|------------------------------|------|

#### Lifetime and capacity

#### Measurements

#### Electrotechnical data

|                           |     |
|---------------------------|-----|
| Maximum system power (W)  | 30  |
| Luminaire efficacy (lm/W) | 132 |
